## **CardioComm Solutions and Philips Enters into a Five-Year Renewable Software Development and License Agreement for ECG Management Services**

**Toronto, Canada -- February 10, 2012 --** CardioComm Solutions, Inc., (TSX Venture Symbol: EKG, Ontario, CANADA) has entered into a five year renewable Software License and Services Agreement with Royal Philips Electronics in which CardioComm Solutions will integrate their proprietary GEMST<sup>™</sup> (Global ECG Management System) software into Philips' ECG management services.

"We have spent the past three years compiling solutions to enable the integration of multiple FDA, Health Canada and CE cleared/approved ECG recording and transmitting devices with GEMST<sup>™</sup>. Through experience with working with clients such as Philips, CardioComm Solutions is able to provide innovations that support the business and medical care challenges associated with the growing ECG monitoring markets," said Etienne Grima, CardioComm Solution's CEO. "This agreement demonstrates our ongoing commitment to developing solutions to serve these markets."

The agreement also extends licensing for a remote cardiac monitoring CardioComm Solutions ECG SDK viewer license, under which CardioComm Solutions' ECG SDK software is being utilized.

Royal Philips Electronics of the Netherlands is a diversified health and well-being company, focused on improving people's lives through timely innovations.

### **About CardioComm Solutions, Inc.**

CardioComm Solutions' patented and proprietary technology is used in products for recording, viewing, analyzing and storing electrocardiograms (ECGs) for diagnosis and management of cardiac patients. Products are sold worldwide through a combination of an external distribution network and a North American-based sales team. The company has earned the ISO 13485 certification, is HPB approved, HIPAA compliant, and has received FDA market clearance for its software devices. CardioComm Solutions, Inc. is headquartered in Toronto, Canada, with offices in Victoria, B.C.
