CARDIOCOMM SOLUTIONS ANNOUNCES EXTENSION OF WARRANTS

TORONTO, ONTARIO - CardioComm Solutions, Inc. (TSX VENTURE:EKG) (“**CardioComm**” or the “**Company**”), a leading global provider of consumer heart monitoring and electrocardiogram (“**ECG**”) acquisition and management software solutions, announced that it is seeking approval from the TSX Venture Exchange to extend the expiry dates of outstanding warrants exercisable to purchase an aggregate of 8,346,000 common shares of the Company at \$0.075 per share. 7,300,000 of the warrants were issued by the Company on December 23, 2016 by way of a private placement and currently have an expiry date of December 23, 2018. The Company is seeking to extend the expiry date of these warrants until December 23, 2020. 1,046,000 of the warrants were issued by the Company on February 3, 2017 by way of a private placement and have an expiry date of February 3, 2019. The Company is seeking to extend the expiry date of these warrants until February 3, 2021. All other terms and conditions of the warrants remain unchanged.

Forward-looking statements

This release may contain certain forward-looking statements and forward-looking information with respect to the financial condition, results of operations and business of CardioComm Solutions and certain of the plans and objectives of CardioComm Solutions with respect to these items. Such statements and information reflect management’s current beliefs and are based on information currently available to management. By their nature, forward-looking statements and forward-looking information involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future and there are many factors that could cause actual results and developments to differ materially from those expressed or implied by these forward-looking statements and forward-looking information.

In evaluating these statements, readers should not place undue reliance on forward-looking statements and forward-looking information. The Company does not assume any obligation to update the forward-looking statements and forward-looking information contained in this release other than as required by applicable laws, including without limitation, Section 5.8(2) of National Instrument 51-102 (*Continuous Disclosure Obligations*).

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
